

Bathroom Cleaner

2 Cups of Water | 2 TBS vinegar
20 Drops of Tea Tree Oil

Works best when paired with a sponge or microfiber cloth

All Purpose Cleaner

2 Cups of Water | 1 tsp Castile Soap

safe for most surfaces, also works as a degreaser

Glass Cleaner

1 Cup of Water | 1 Cup Vinegar
1-5 Drops of Essential Oil of your choice

*used for mirrors, windows glass and hardware. Works best when paired with a glass cleaning cloth. Use with Baking Soda to create a “deep cleaning” power. (sinks ovens toilets, etc...) *

Multi Surface Cleaner

1 ½ Cup of Water | ½ Cup Vinegar | 1 tsp Dish Soap
1-5 Drops of Essential Oil of your choice

works best for floors, counters, appliances, wood, etc...

Floor Cleaner

3 Parts Water | 1 Part Vinegar | 1 squirt Dish Soap
5-10 Drops of Essential Oil of your choice

works best when applied with a slightly wet mop, spray mop or a microfiber cloth. This combination can be added to a spray bottle and used for quick touch ups between moppings.

Soap Scum Spray

1 Cup (Heated) Vinegar | 1 Cup Dish Soap

-Deep Cleaning: Spray onto the shower walls and fixtures and let soak for 10-15 min

-Daily: Add mixture to a soap dispensing sponge and scrub the walls while in or after shower

Air | Fabric Freshener

½ Cup Water | ½ Cup Witch Hazel
20-30 Drops of Essential Oil (of your Choice)

Sprits into air and on fabrics (without soaking)

Wood Furniture Polish

$\frac{2}{3}$ Cup Olive Oil | $\frac{1}{3}$ Cup Vinegar
5 Drops of Lemon Essential Oil

Works best when paired with a furniture polishing cloth

Grout Scrub

Combine Warm Water and Baking Soda (in a bowl) to make a paste

Whitening Spray: 1 Cup Water | $\frac{1}{4}$ Cup Lemon Juice | $\frac{3}{4}$ Hydrogen Peroxide

Spread the past on grout and then spray the whitening spray on top, then scrub with a grout brush

Tech Screen Cleaner

$\frac{1}{4}$ Cup Water | $\frac{1}{4}$ Cup Isopropyl Alcohol

* Works best when paired with a glass cleaning cloth*

Soft Scrub Cleaner

$\frac{3}{4}$ Baking Soda | $\frac{1}{4}$ Cup Castile Soap
1 Tbs Water | 1-5 Drops of Essential Oil
(of your choice)

* Mix in a bowl to create a paste and apply to surface with a DOBIE sponge. Best to store in a mason jar or a squeeze bottle*

Laundry Detergent

2 Cups Castile Soap Flakes (grated) | 2 Cups
Washing Soda | 1 Cup Coarse Sea Salt

* 1-2 Tbs per load and you can add a vinegar and essential oil
combo as a fabric softener*
